REMARKS

Claim amendments comply with the Examiner's recommendations and merely correct formalities. Amendment to the specification supported by Claim 1, as amended during the PCT, and does not add new matter.

A Terminal Disclaimer is filed with the Amendment.

The above amendments and remarks are believed to overcome the Examiner's rejections. Therefore, the Applicants respectfully request reconsideration and allowance of pending Claims 1-31.

Three new dependent claims have been added, which requires an additional claim fee of \$54.00. The additional claim fees, and the petition fee for the Terminal Disclaimer, should be charged to Deposit Account No. 23-2053.

In the event that another fee or petition is due, authorization is given here to charge Deposit Account No. 23-2053 in the appropriate amount for such fee or petition.

The Examiner is invited to call the Applicant's attorney in the event that such communication would facilitate allowance of the application.

Respectfully submitted,

Alan E. Wagner
